

Accessibility Statement for the Website www.peiker-cee.com

The website www.peiker-cee.com offers specialized communication and training systems, primarily for equestrian sports, outdoor activities, motorsports, and professional use, along with related accessories. Users can choose from a wide range of categories.

Since July 2024, peikerCEE has been part of peicom GmbH as a brand.

This accessibility statement applies to the website www.peiker-cee.com.

2. Legal Basis

This accessibility statement is based on the Accessibility Strengthening Act (BFSG) in conjunction with the Regulation on Accessibility Requirements for Products and Services (BFSGV), considering the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA compliance.

Our goal is to make the website accessible.

3. Status of Compliance with the Requirements

This website is currently partially compliant with the aforementioned requirements. The accessibility review was conducted by an external audit.

We are continuously working to improve the accessibility of our online shop and eliminate existing barriers.

Extensive measures have already been implemented to enhance accessibility within the scope of technical possibilities. However, some remaining limitations could not be reasonably addressed due to the imminent shop update and associated effort. Despite our efforts, certain shop content is not yet fully accessible, including:

- Missing link/alt texts for images, icons, and buttons
- PDF documents and blog posts of older dates that have not been redesigned for accessibility
- Interactive elements lacking sufficient keyboard navigation
- Inadequate text-to-background contrast in some areas

The relaunch of an accessible shop is planned for QII 2026.
